

Admission Policy

It is our intention at Wickham Montessori to make our nursery generally accessible to children and families from all sectors of the local community.

Parents are invited to come in and visit the school, if they would like their child to start then once we have received an "Application to Join" form and a £50 registration deposit then the child's place will be confirmed.

When the nursery is at capacity we will:

Maintain a waiting list

When a child's name reaches the top of the list and there is a vacancy, a place at the nursery is offered.

Sessions

Parents have the choice of which sessions they would like, if there is no vacancy for those sessions then they would be placed on a waiting list and be given priority when a vacancy for the required session becomes available.

NEG Funding

Children are entitled to access the NEG funding the term after they have turned 3 years old, 15 or 30 hours depending on family circumstances. Funding is available over 38 or 51 weeks a year.
